Dear Sid Mittra,

We are pleased to recognize you as a 2017 recipient of the Albert Nelson Marquis Lifetime Achievement Award. Please find your enclosed certificate commemorating this esteemed honor.

You are among the first to receive this award, which celebrates your professional accomplishments and longevity as a Marquis biographee. In order to have been considered by the Marquis Review Board, you must have met each of the following requirements:

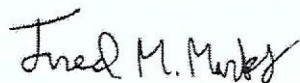

- Listing in a Marquis Who's Who publication for 20 or more consecutive years
- Accrued more than 30 years in a particular career field or industry
- Published in at least two articles highlighting your expertise
- Received at least one award outside of Marquis Who's Who

Due to the fact that less than 5 percent of Marquis listees qualify for this award, we would like to share this important news by writing and distributing a professional narrative on your behalf. Your narrative will be sent to media outlets and uploaded to the major search engines so that colleagues, family, friends and future generations will be able to read about your contributions and accomplishments. For more information, please review the attached description.

Should you have any further questions about this honor, please contact us at 844-394-6946 or LifetimeAward@marquisww.com.

Again, congratulations on achieving this great honor. We wish you continued success.

Best regards,

Fred Marks
